c. Subordinate Units:

This regiment is still in the process of formation, and for this reason it has only the units and the armament listed below:

1.) Regimental Headquarters:

Evidence Office

Secret Office

Training Office

Supply Office

Technical Office

2.) 1 Battalion: It is made up of 3 armored companies. Each company, in turn, is made up of 3 platoons with 4 squads each. The complement of each company consists of 5 officers, 8 noncommissioned officers, and about 100 enlisted men. The battalion is armed with 18 T-34/85 model tanks and six JS-122. In the event of war, the battalion would be equipped with additional tanks, which are stored in garages in a disassembled condition.

3.) 2 Battalion: Organized exactly the same as the 1 Battalion (above). It is armed with six assault guns SU-85 and 12 SU-122. New guns are arriving in disassembled condition.

4.) The regiment has a special company for the training of the recruits and a special training school for noncommissioned officers.
